The Young Democrats (Mesa State College branch) will be working with the Gay-Straight Alliance (GSA) at Mesa State College for their **World AIDS Day** awareness on **December 1, 2010**.

The GSA will have a table set up on campus with literature on AIDS, they will have condoms available for students, and would like to serve hot chocolate and/or cider.

As our winter community project, the Young Dems are asking for donations to help supply the hot chocolate and/or cider for the event and help offset other costs that may be acquired (we will make costs available on our website after the event). We will then donate the money, after supply costs, to the Western Colorado AIDS Project (also known as WestCAP) to help further research and aid to those that are affected locally.

If you would like to donate or have any questions, please contact Jeremy Watson, President of the Young Democrats (Mesa State College branch) at 970.596.1683 or jemwatso@mesastate.edu. You can also contact the Young Dems directly at mscyoungdems@gmail.com. Donations may be sent to:
