Grand Junction – The Young Democrats are announcing their Winter Community Project and need the communities help to make it a success.

We are proud to announce that we will be working with the Gay-Straight Alliance at Mesa State College to assist them in the World AIDS Day Awareness on December 1, 2010. This is a non-political event that is being held by the Gay-Straight Alliance with the help of other clubs and organizations.

We are attaching our flyer to the email with this press release which outlines how the community can help and get involved.

If at all possible, please advertise and distribute amongst your agency. If you have any questions, please feel free to contact Jeremy Watson at 970.596.1683, watsonjeremy@lycos.com or jemwatso@mesastate.edu. The Young Dems can be reached directly through our website at <http://mscyoungdems.weebly.com>.
